C# F#m C#
Hello, my bride, how are you doing?
C# F#m C#
It's been a while cause You've been busy
F# F#sus F#
Idols have turned your heart from me
 F#m C#
Oh my hands and feet
 F#m C#
My love, how can it be?

Body of Christ, more like a whore
You love this world and you call me Lord
I shed my blood for your sins
The ones you're living in
When are you gonna repent?

A#m G#/C C# F#
Do you still love me
E B
Yeah cause it don't really show

C# F#m C#
Oh, where is your heart?
C# F#m C#
You say that you're set apart
F# F#sus F#
If you really love me
F#m C# F#m C#
Where is the difference?

Light of the world, why aren't you shining?
Salt of the earth, have you become tasteless?
Fragrance of Mine, in the world
But not of the world
No you're not of this world

Oh, where is the light?
The hope you are hoarding inside
If you really love me
Where is the difference?

A#m, G#/C, C# F#, C#/F, G#
If you love me, keep my commands
If you follow me, deny yourself
If you love this world, then you don't love me
If you are lukewarm, then you make me sick
If you don't speak, how will they know?
If you don't preach, how will they believe?
If you don't go, how will they call my name?
Oh I long for them to call my name
But you gotta go, you gotta go, you gotta go

Yeah it's up to you now, it's up to you
Oh my hands and feet yeah it's up to you
The victory's sure but I've chosen you now

**So go into all the earth
Declaring the Father's love
If you really love me
Why don't you share it?
Where is the difference?
Where is the difference?
Is there a difference?**
