

## God Of Grace

**C**

To the faithless You are faithful

**F**

To the broken You are able

**Am**                    **G**                    **F**

To the captives You are liberty

**C**

To the orphan You are Father

**F**

To the widow you are a lover

**Am**                    **G**                    **F**                    **Dm**

To the blind you give them eyes to see

**C**

God of grace,

**F**

You took our place

**Am**    **G**    **F**    **Dm**

You love us as we are,

**C**

**F**

**Am**

**G**

**C**

All the weak and broken sing we love you God of grace

**C**

To the homeless you are shelter

**F**

To the thirsty living water

**Am**                    **G**                    **C**

To the lame you give them feet to dance

**C**

To the helpless you're a brother

**F**

To the hungry you are bread

**Am**                    **G**                    **F**                    **Dm**

And to all sinners you are second chance

## God Of Grace - 2

**Am**            **Em F**  
Merciful in all your ways  
          **Dm**                    **C/E**                    **F**    **G**  
How could we cease to sing your praise  
**Am**            **G**        **F**  
You became sin for us  
**Dm**    **C/E G**  
Oh how great is your love

**C**  
God of grace,  
          **F**  
You took our place  
          **Am G F Dm**  
You love us as we are  
**C/G**                    **Am F G G#dim Am F**  
All the weak and broken sing we love you God of grace

**C**  
God of grace,  
          **F**  
You took our place  
          **Am G F Dm**  
You love us as we are  
**C**                                    **F**                                    **Am G C**  
And now redeemed your children sing we love you God of Grace

**C**                                    **F**                                    **Am G C**  
Bells will ring your bride will sing we love you God of Grace
