I believe You came down from heaven  
You walked on water and You caused the blind to see  
I believe Jesus that You died for sin, rose again,  
And You're coming back to win!

You are God

G E/G# Am F  
Children on our knees again  
You've spoken and You've promised You are  
Faithful, You will never change

We've heard of You're fame, stand in awe of  
Deeds You've done in ages past  
Renew them in our day, Lord have Your way  
Lord let Your Kingdom come  
Salvation spring up from the ground  
Let blind eyes see, Let the lost be found  
Your praises lifted higher, higher,  
Spirit set this World on fire  
Come break the bonds of Satan  
On this nation, Lord we believe  
That nothing is impossible for You
